We have special arrangements for our disabled spectator's which we hope will make your viewing experience a memorable one. There is allocated parking in front of Wiscombe House which overlooks the start line, with the paddock nearby. The parking is close to the catering facilities and disabled toilet, which is wheel chair accessible.

**On your arrival at the spectator car park, please advise the car park marshal's that you have disabled parking booked in front of Wiscombe House. They will have your name on a list and will be expecting you.**

Because access to the front of Wiscombe House is via the main driveway, which is also the competitive track, you will be asked to drive into the return paddock for competitor's (this adjoins the spectator car park). The marshal's there will then ensure that you join the back of a batch of competitor cars on their return to the paddock. There will be a small delay whilst the batch run is completed. When you are ready to leave the meeting, please let a paddock marshal know, and they will arrange for you to join the end of a batch of competitor cars to safely exit the venue.

The itinerary for a Wiscombe Park event is as follow's:

<b>8.30am</b>	<b>Gates open</b>
<b>9.00am</b>	<b>Timed practice runs commence – 2 runs per driver</b>
<b>12 - 12.30pm</b>	<b>Lunch break</b>
<b>1.30 - 2.00pm</b>	<b>Timed competition runs commence – 2 runs per driver</b>
<b>5pm</b>	<b>End of the meeting</b>

Please note, these timing's are subject to change due to incident's on the hill affecting the running order.

Some motor club's operate a "one practice run/three timed run" format This will be confirmed by the course commentator.
